TIMELINE OF ACTIVITIES SINCE GRADUATION FROM MEDICAL SCHOOL

Please provide a **chronological listing by month and year of ALL activities since graduation from medical school.** You must include postgraduate training, research activities, hospital affiliations, medical staff appointments, faculty appointments, private practices, locum tenens and telemedicine assignments and any other employment or volunteer activities. Also include periods of unemployment or any activities outside of the practice of medicine. Do not write, "See CV" or "See attached"; you must complete this section AND attach your curriculum vitae. If you need additional rows, please print additional copies of this page. **You MUST account for any time gaps of one month (30 days) or more since your graduation from medical school. (For example, if you graduated from residency in June 2015 and started employment in August 2015, you must account for this gap.)**

Start Date (mm/yyyy)	End Date (mm/yyyy)	Position Held (Resident, Attending, Research Fellow, etc.)	Institution/Place of Employment	City, State/Country
05/2020 ^{BTG} 1/1/23 _____ Month Year		Medical School Graduation Date (start timeline from this date)
